

BIO – Commoning design and designing commons

We are a diverse group of people with backgrounds grounded in architecture, design, media studies, and sociology. We share our interests around the topic of commons/-ing and Participatory Design. Andrea is based between Aalto University (FIN) and Universidad de los Andes (COL); Anna at Malmö University (SWE); Frederick at Federal University of Technology Paraná (BRA); Giacomo, Joanna, and Sanna (currently on maternity leave) at IT University of Copenhagen (DK); and Maurizio at Aalborg University (DK).
